

When setting up the field, the Field Captain will ensure that the safety chains and warning signs are in position before archery begins. In addition, chains and signs to be reset or collected and returned to the container at the end of shooting.

Position chains and signs as follows:

1. Archery In Progress sign mount on the wall at the entrance to the field closest to the porta cabin

2. Hang short chain and "Warning Archery in Progress" sign at the gap in the fence near the football dugouts.

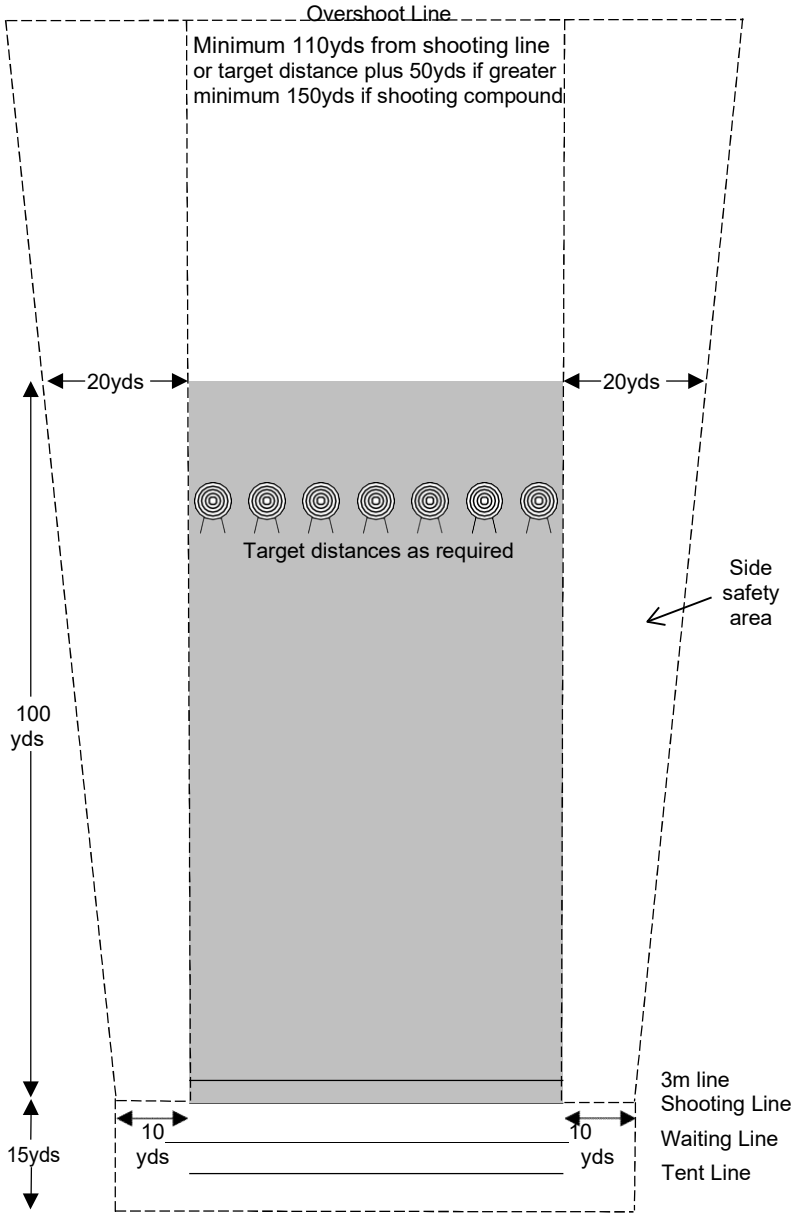

3. Hang long chain (stored on reeler) and "Warning Archery in Progress" sign at the large gap between the end of the wall and the grey building and hang signs on the chain

4. Hang second long chain (with warning sign attached) between far end of the grey building and the hedge
